Re: *In re: Terrorist Attacks on September 11, 2001, 03 MDL 1570 (GBD) (SN) -  
Update on Status of Dr. Abdullah Naseef's Medical Condition*

Dear Judge Netburn:

This firm, along with Bernabei & Kabat, PLLC, serves as counsel for Defendant Dr. Abdullah Naseef. We write pursuant to Your Honor's August 16, 2018 Order (ECF No. 4105) and Memo Endorsement (ECF No. 4211) to "update[e] the Court on the status of [Dr. Naseef's] medical conditions and ability to participate in this action." Since our last submission regarding Dr. Naseef's health (ECF No. 5321), there has been no improvement in his medical condition and no change in his ability to participate in this litigation. In fact, Dr. Naseef's medical condition has slightly worsened, as he now requires the assistance of an oxygen mask to breathe.

Pursuant to Your Honor's August 16, 2018 Order, we will update the Court again in sixty (60) days or sooner, if developments warrant.

Sincerely,

Waleed Nassar
